Reno Garlic Fest - Saturday July 20st at Reno's Pat Baker Park!

C'mon on out to the third annual Reno Garlic Fest, Saturday, July 20, 4:00-8:00 pm at Pat Baker Park.

We're excited that the Reno Garlic Fest is part of Artown. Artown's support allows a relatively new event such as ours to shine a spotlight on a wonderful, multicultural event in a small neighborhood park like Pat Baker Park.

For a unique twist, this year we have paired food trucks with a local garlic farmer. This provides our northern Nevada garlic farmers a chance to demonstrate their product and for attendees to taste the different garlic varieties.

We'll have fun for the entire family with activities such as a garlic scavenger hunt, chalk art fun, garlic ice cream (it's good!), live music, and beer, wine and craft garlic cocktails too.

Other activities include learning how to grow garlic from local Garlic Gurus. Garlic is an easy crop for beginning gardeners and is well suited to grow right here in Northern Nevada.

This year's Reno Garlic Fest is proudly presented by Reno Food Systems, Nevada Grown, and Be the Change Project.
