FOR IMMEDIATE RELEASE

May 15, 2021 Reno, Nevada. Diverse Perspectives, a collaboration of local artists, is pleased to present our seventh annual art show and sale supporting the ALS Association, Nevada Chapter. The show takes place in a beautiful Old Southwest garden, where guests can explore the art while enjoying the ambiance of a gracious park-like setting. This year 20+ local artists will showcase handmade jewelry, art glass, photography, paintings, ceramics, printmaking, fiber art and more.

Many of our artists have a direct connection to the painful realities of Amyotrophic Lateral Sclerosis (ALS) and this fundraiser donates 20% of all proceeds to help the local Nevada Chapter of the ALS Association provide support for families in northern Nevada.

The show is Friday, July 9 from 4-7, Saturday, July 10 from 10-4 and Sunday, July 11 from 10 – 3 at 820 California Ave./835 Marsh Ave. in Reno's Old Southwest, with access from both California Ave and Marsh Ave. It's free and wheelchair accessible.
