About the Show: *Seraphim* is an evening length dance and visual art show that takes inspiration from and showcases a newly crafted 18' tall guardian art sculpture of a Seraphim Angel. Seraphim are the traditional angels of the heavens; they are the ministering spirits who live near and perform miracles in everyday life. The dance work explores themes of support, protection, and togetherness through virtuosic and theatrical modern and contemporary dance. The performance will take place outside on the lawn behind the outdoor amphitheater at Sage Ridge School. Sage Ridge School is sponsoring this event and the construction of the sculpture as the sculpture's permanent home will be at Sage Ridge.
