Crafted Palette is a locally owned art café located at 130 West Street downtown near Wingfield Park. We offer step-by-step painting classes at least 4 nights a week (check our website craftedpalette.com for class options and availability.) Classes begin at 7pm Wednesday-Saturday.

The class instruction is designed for varying degrees of artistic ability. From those who draw stick figures to those who have been painting for years, no need to fret, you are in good hands! The only thing you need to bring to the classes is yourself! Of course you can always bring a friend along too! Try to arrive early to grab a spot, paints and a cocktail or wine. Our full kitchen and bar are open throughout the event. You'll want to try some of our award-winning food options. Street parking is not metered after 6 pm, so if you can, park on West, First or Second Street. If there is no parking available there, the parking garage on 1st and Sierra is just around the corner.
