

A Real Page Turner!

Come and learn new techniques of the How To's of creating book art (sculpting). Three classes will be offered in creating beautiful artwork from books!

July 10th - Basic folding with a twist of making the base into a lady's skirt as well as various shapes to resemble designs of art that everyone has been asking for.

July 17th - Basic folding again with teaching cut outs and making bouquets of design. Flowers and butterflies make this summer bouquet into something beautiful.

July 24th - Basic folding and learning to cut out and build on top of one another, making something very special

Each class is a stand alone class,

Cost is \$30 each with most supplies included

OR

All 3 classes for \$75. Participants need to Venmo Debbie Lambin (7757816894) for the cost of the class prior to the day of class(es).
